ENTREPRENEURIAL EXPERIENCE

Student Micro-Venture — Self-Funded

- Owned the complete business cycle end-to-end — sourcing, pricing, sales, and customer interaction — independently planning and executing every operational decision on a self-funded basis.
- Tracked margins and costs to guide pricing and spending decisions, generating ₹68 profit on a ₹52 investment (~131% ROI).

LEADERSHIP & COMMUNITY IMPACT

Career Awareness Initiative

- Independently planned and led career-awareness sessions for 450+ Pre-University students across multiple colleges, owning content design and scheduling for each institution.
- Delivered 10+ structured presentations to large student audiences on higher-education and career pathways, translating research into clear, actionable guidance.
- Owned end-to-end event logistics and communication, ensuring smooth, on-time execution across all participating colleges.

PROJECTS

Excel Analytics Project

- Built pivot tables, dashboards, and KPI reports, converting raw business data into structured insights to support decision-making.

Consumer Behaviour Research

- Conducted surveys and interviews to analyse customer buying behaviour, translating findings into structured reports that surfaced patterns relevant to business strategy.

Additional academic work: website development (HTML/CSS) for a mock venture ("Mobile Shopee"), marketing strategy analysis, digital marketing planning, and database design (ER modelling).

PROFESSIONAL EXPERIENCE

NGO Internship (30 Hours)

- Supported educational initiatives through direct teaching and assisted with administrative coordination for community programs.
- Coordinated with fellow volunteers to execute programs, strengthening cross-functional teamwork.

Industry Interaction — Reliance Retail Ltd.

- Interviewed the Sales Head to explore retail operations, sales strategy, and customer engagement, gaining first-hand exposure to business decision-making.
